What Your Score Means

{{Segment_Description_Block}}

[Developer Note: This area populates with the detailed analysis text block based on the user's specific segment.]

Most businesses grow fastest by fixing one high-impact area first.

Your Next Best Move

- Identify your top growth blocker
- Strengthen visibility and trust
- Improve lead consistency
- Measure what works

Priority Focus

Based on your results, your priority focus should be {{Primary_Focus_Area}}.

Unlock the Full Dominance Playbook

This snapshot shows where you stand. The full Dominance Playbook shows exactly how to dominate your local market.

Businesses like {{Business_Name}} typically grow fastest by fixing {{Primary_Focus_Area}} first.
